Affordable Study and Work Experience in Beautiful British Columbia

Greystone College in Vancouver offers an ideal pathway for international students looking for value and adventure. These **24-week study + 24-week co-op programs** combine **affordable tuition, practical work experience**, and the **chance to live in one of Canada's most stunning and livable cities**. While they do not lead to a Post-Graduation Work Permit, they give you the opportunity to **study, work part-time, and explore the breathtaking landscapes of BC** — from oceanfront beaches to mountain trails. It's the perfect blend of learning, earning, and west coast living.
